			complete training using the assessment wheel and audit the school's needs.
Purchase of new resources for PE	£700.88 (table tennis table) £100 (additional resources for 'Real PE').	To provide high quality PE lessons	-All staff had the opportunity to be trained in Real PE during an INSET day.- Resources were bought to support the teaching of Real PE -Through the school council, children decided to purchase a Table Tennis table to be used at playtimes. -Training for the Lunchtime Supervisors through a half day INSET in the resources available to them (Real PE).
Swimming Pool Hire and Whitgift school swimming instructor	£850 pool hire £1.320 swimming instructor Total £2,170	To provide children with effective swimming lessons so that by the end of Year 6 they can swim 25m	-Year 5 and 6 children received effective and enjoyable swimming lessons for one and a half terms each. For some children it was the first time that they have ever experienced swimming therefore it boosted their confidence in water. The number of children who could swim 25m unaided at the end of year 6 was 58%
Release staff to take children to sporting events and to attend PE quarterly meetings	4 days supply cover £175 per day		-Children have taken part in competitions during school time such as cross country, Panathlon, netball. Children enjoyed taking part in competitions and they

			experienced events that they may not have experienced otherwise.
--	--	--	--

Impact:

- There are more opportunities for children to take part in competitive sport that is additional to the children's PE lessons.
- Over the course of the year, more children have taken part in after school sporting and healthy living club in addition to their PE lessons.
- The school had a successful Croydon Athletics competition, with more children reaching the semi-final and final than the previous year.
- Teachers are continuing to gain confidence in teaching PE and are continuing to use the 'Real PE' lesson plans and resources.
- The swimming lessons for Year 5 and 6 have been effective, allowing more children to access this life-saving skill.
- Children are more active at lunchtime
