

Homework (18th October 2019, due Wednesday, 30th October 2019)

Well done and thank you for all your hard work this half-term. Keep it up.

Reading: Please keep up reading daily and record what you have read in your diary.

Spellings: We are almost finished securing the spellings from the previous year. Please write the following words neatly. Then, write **two** sentences for **each** word. Aim for interesting, complex sentences, e.g.:

naughty – When children, who are usually little angels, suddenly turn naughty, everyone feels extremely shocked.

<i>famous</i>	<i>fruit</i>	<i>interest</i>	<i>learn</i>	<i>material</i>	<i>natural</i>
<i>naughty</i>	<i>ordinary</i>	<i>perhaps</i>	<i>position</i>	<i>recent</i>	<i>sentence</i>

English/Science: Choose one of the following Scientists and create a fact-file about him/her.

- | | |
|-----------------------------------|---------------------------------------|
| 1. Aristarchus (310-230 B.C.) | 6. Cecilia Payne-Gaposchkin (1900-79) |
| 2. Nicolas Copernicus (1473-1543) | 7. Arthur Eddington (1882-1944) |
| 3. Aristotle | 8. Brian Cox (1968) |
| 4. Edwin Hubble (1889-1953) | 9. Heidi Hammel (1960) |
| 5. William Huggins | |

Maths:

- Complete the work set on Mathematics.
- Create a poster with all the knowledge you have acquired over the last half-term.
 - Place-Value (charts, using counters, using numicons, using multi-links ...) and

- Addition and Subtraction, include examples as well as: laying out number sentences using different resources,
- mental strategies,
- columnar method (include exchanging) with examples,
- Number Stories for number sentences and Place-Value,
- Estimating and rounding – rules and examples,

- Practise your number bonds and timetables as we will be starting multiplication and division after the holidays. You can use the following websites:
