

Anne Brontë's Birthday (17 January)

Anne Brontë was an English novelist and poet. She was born on 17 January 1820 and was the youngest member of the Brontë family. Her famous novels include Agnes Grey and The Tenant of Wildfell Hall. Anne and her elder two sisters were all writers. Their writing was considered shocking in Victorian times as their central characters tended to be strong women.

Solve each question below. Then use the key to find the answer to the joke. Letters can be used more than once.

1. $54 \times 76 =$

2. $3,648 \times 22 =$

3. Cans of drinks are packed in trays of 6. There are 5,623 cans. How many trays are needed?

4. Cans of drinks are packed in trays of 6. There are 5,623 cans. Once packed, how many trays will be full?

5. $3,752 \div 7 =$

Did you know?
The Brontë sisters all published their work under masculine pen names with the last name of 'Bell'.
