

## Floodland Session 8.

### Letter writing to Zoe

Listen to the novel from the beginning until the end of chapter five and reflect on the events that Zoe has endured so far. Consider her current predicament: she is trapped on the island and she is not sure if she can trust Dooby

write a letter to Zoe at this point in the story, what advice would they give her? Remind the

Advise Zoe on how to handle the situation she is faced with, what to do, who to speak to, but also be sensitive to her feelings.

Use the school as your address in the top right hand corner as a block

1 Write in paragraphs

First paragraph explain why you are writing.

Second and Third give Zoe advice using a range of advice giving sentence starter.
