## Goodbyes and a welcome!

We are always sad to lose members of staff and this year we have some members of the Howard family who will be moving on. We would like to share our best wishes to **Mrs Hughes** and **Mr Jalloh** who will be leaving us this year.

Whilst we are sad to say goodbye to some teaching staff, we are pleased to welcome a new member of staff to the Howard team. We would like to extend a warm welcome to **Miss Winser** who will be joining us as our new Year 5 teacher and will also be taking on the leadership of our curriculum development. We are sure you will join us in welcoming Miss Winser to Howard.

We would also like to say farewell to our wonderful year 6 pupils who will be moving onto secondary school in September. To say that this year has been a challenge for them would be an understatement and they have taken it in their stride with great confidence and flexibility. We know that they all have the potential to be successful in their new schools. Best of luck year 6!

## COVID-19 update and thanks:

This has been a difficult and unstable year for all of the Howard community. We would firstly like to thank all of you for your patience, understanding and support over the last few months. It has helped us greatly and we truly appreciate it. Next year holds further challenges, which together, we know can be overcome. Please note that next year **staggered drop-offs and pick up times** will be essential to manage a safe learning environment and **parents will not be able to access the school playground or come into the school building** until we feel that we are able to **ensure the safety of the whole school community**. We will be sending out a full and detailed list of measures that will be put into place for school re-opening shortly. **School reports** for your child will be sent out shortly by email over the next few days, please bear with us while we organise the administration of this.
