### **Food at Howard**

There are strict guidelines that school catering companies must follow when providing school dinners. There is a limit on salt, sugar and fatty foods and there is a focus on balanced, nutritional meals. The government have also set out guidelines about school packed lunches (which can be found on the school website) but we would also like to remind you that the Whole School food policy states that:

***Packed lunches should only include 1 option from the following lists:***

- **Sweets**
- ***Any items containing chocolate including bars, biscuits, cakes or yoghurts/desserts***
- **Crisps**

We would also kindly remind you please that fizzy drinks and high-sugar drinks are NOT permitted. Smoothies, low sugar flavoured water and milk are all fine.

### **Porridge**

We are pleased to announce the start of free porridge available to all pupils starting later on this term initially 1 day a week. The school has applied for a grant that will cover the costs for every child. The children do not have to have porridge but this will be available for those who want it. Please look out for further information later on this half term.
