

Howard Primary School

Friday 13th May 2022

Dear Year 2 Parents

As you are aware May is the start of SATs (Statutory Assessment Tests) time for **ALL** the country's Year 2 pupils **and your child will be taking part**. On the reverse of this letter is a time table of the tests for your information.

All the Year 2 children at Howard have been working hard with Mrs Ramakrishnan, Miss Agyemang and the team of additional teachers and support staff in an effort to ensure they are ready. We would like to thank those of you who have been helping the children at home. We have learnt a lot about the children over last year.

It is essential that ALL the children ATTEND school on the days mentioned overleaf during the testing period.

Over the weekends but especially during the tests there are a few things that will help your child perform to their full potential:

- Lots of **rest and sleep** – **early to bed and no late nights!** They need to be rested each morning.
- **Plenty of water to drink**, especially at school. Please make sure they **bring a bottle for water to school every day**. We will provide a drink and a biscuit before each test!
- Plenty to eat – especially for **breakfast** – it gets the brain working.

As it has been in previous years the SATs tests in Year 2 are administered in order to help teachers judge how well children are progressing. Teacher assessments will NOT be made on test results alone. When making judgements about a child's level of understanding teachers will be thinking about what they have seen over the whole of Year 2. This is to ensure they have a full and accurate picture of how well a child is doing.

Thank you for your continued support

Miss De Saulles
Head Teacher

Mrs Ramakrishnan
Year Group Leader

Miss Agyemang
Year 2 Teacher

Head Teacher: Jackie De Saulles (B.Ed.)
